Information about Soest

In particular, three special features explain the vital economic structure and ensure the sustainable prosperity of Soest:

Soest is conveniently located, offers excellent infrastructure and is inspiring.

You can profit from the A44 freeway, the ICE train station and the airports of Dortmund and Paderborn/Lippstadt (30 min.). Take advantage of the technological and business know-how of the University of Applied Sciences or other business incubators. Enjoy the urban flair of the historic old town and the proximity to the Arnsberger Wald & Möhnesee. More at www.wms-soest.de
