area

Partial area: A) €80/m² B) €100/m² in the first series, otherwise €45/m² C) €60/m²

Information Within the framework of the Regional Economic Development Programme, the City of Recklinghausen receives a 90% subsidy for the implementation of various measures on purchase for the development and processing of the structural areas. However, this is price associated with certain requirements for the companies to be settled (e.g. primary effect, supra-regional sales).

Availability 2019
