Airport	Düsseldorf	80 km
Port	Born (NL)	25 km
Port	Düsseldorf	80 km
Rail freight	Geilenkirchen	12 km

Information about Selfkant

Germany's westernmost municipality, Selfkant was under the administration of the Netherlands between 1949 and 1963. Since the abolition of the EU's internal borders Selfkant has enjoyed additional scope for development as a suburb of the Dutch city of Sittard. Selfkant profits from the wide-ranging cultural amenities in Sittard and its good access to the Dutch/Belgian freeway network.
